About

I am an Atlanta native and recently graduated from Georgia State University with a degree in Computer Science. The problem-solving aspect of programming is a huge draw for me, and I hope to find challenging and fulfilling work where I can continue to learn new skills. I am especially interested in web development.

Education

B.S. IN COMPUTER SCIENCE | MAY 2017 | GEORGIA STATE UNIVERSITY

Experience

SERVER | TWAIN'S BREWPUB AND BILLIARDS | APRIL 2013 – PRESENT

SERVER/BARTENDER | EVERYBODY'S PIZZA | AUGUST 2009 – APRIL 2013

My restaurant experience has given me the ability to successfully communicate and interact with a wide variety of people, whether customer or coworker. As a server I have cultivated a team-oriented mindset and enjoy helping my co-workers succeed.
